FOX RUN CUP

The FR Cup will include the top finishers from the Men's Player of the Year pool and from the Ladies Player of the Year Pool to get to 48 players (two 24 person teams) that will compete in a

Ryder Cup format tournament to be held

September 28th & September 29th

This event should be a great event where the players will receive:

FREE team uniforms at the Friday night pairings party,

FREE entry into the event and

FREE eats throughout the weekend.

The weekend's events will consist of

two person team matches on Saturday and Singles matches on Sunday.

It will be a great time, so do not hesitate to get into the tournaments and get those points to qualify for the

2019 FOX RUN CUP!!

FR Cup Scoring System

No matter whether the tournament is an individual event or a team event, you divide the number of teams or individuals into a 100. Then you take that number and it is the number of points the last place team or individual is awarded. From there you take that number and double it for the next ranked team. For example: if you have 20 teams playing in the tournament, you will divide 20 into 100 and that produces 5 points for the 20th place team. From that point you would rank all 20 teams according to their NET SCORE and double the first teams points and continue with the points difference per team as they move up the rankings. So 20th place will receive 5 points, 19th will receive 10 points, 18th 15 points, etc. until you get to the first place team, that receives 100 points for the event. Also all teams/individuals will receive 50 points for participation no matter where they finish in the rankings. Keep in mind for the FR Cup scoring system there are no flights, its everyone against everyone. By using this scoring system you will eliminate "the luck of the draw" as determining which flight you are in which could ultimately affect the number of points a team/player is awarded for FR Cup purposes. In implementing this points system it is the tournament committees purpose to make the awarding of FR Cup points as fair as possible to all players. An adjustment to this years scoring is that any tournament with guests involved will be a participation points only tournament for the members involved. This will insure that all players make the FR Cup on their own and not by bringing in guests that help that cause. We are VERY EXCITED about this years Cup so do not hesitate to get involved in the tournaments.

Please Fill Your Divot and One More

We are experiencing a lot of divots NOT BEING FILLED.

PLEASE FILL YOUR DIVOT AND ONE MORE.

LEAVE THE COURSE BETTER THAN WHEN YOU WERE
THERE FOR THE NEXT PERSON.

As we head into winter and the turf is in full dormancy, it is very important that we fill all divots made while playing. We encourage all players to fill their divots and at least one more. Sand is provided on the carts and more bottles are at the turn for refilling. As well, each Par 3 box has sand that can be used to fill divots made on the tee box. The Par 3 tees take a pretty good beating by winters end. Let's fill those divots and keep the course looking nice.

BOARD OF DIRECTORS

There are three open positions for the Board of Directors. Resumes for those interested are due by February 1st, 2019 at the close of business. Any regular stock member in good standing for two years and desiring to serve on the Board of Directors shall submit a written resume as to his or her background, age, years of membership, education qualifications and the reason you desire to serve as a director of the club.

Please turn your resume into David or Patsy on or before February 1st

Grounds Maintenance

The entire grounds department would like to extend a Happy Holidays wish to all of the members and their guests. As well, we would like to express our gratitude for the end of year staff gratuity and as well the cookies from the Ladies Golf association, yum. We appreciate it tremendously. As for the grounds, we are working on winter maintenance on all vehicles, Mulching bedded areas around the clubhouse area and as well we will be cleaning up dead trees throughout the winter months. As you can all see by now We have gone to the threepin system on the greens and they will be switched monthly. I would again like to say Happy New Year from all of us here in Maintenance and we look forward to a great 2019.

In 2019 for **tournaments only**, Fox Run Country Club will keep the current age restrictions where tees are concerned. Those restrictions are:

Blue Tees	Men Age 54 and under
White Tees	Men Age 55 to 69
Gold Tees	Men Age 70 and up
Red Tees	Men Age 80 and up/Ladies

The Committee also implemented an ability provision that says, "Any member with a handicap index of 12.0 or above as of December 1st of 2018 can move up one tee box.

If your handicap is now less than 12.0 on December 1, 2018 and it was above 12.0 on December 1st, 2016 which allowed you to move forward one teeing ground, you must now move back to your original tee that allows for age but not moving forward because of handicap allocations.

Ex. a player that moved forward a teeing ground for 2018 tournaments because the his handicap on December 1st 2017 was 12.9 but now has a handicap index of 11.4 on December 1st, 2018 would now have to move back to play the tees for his age in tournaments.

Please Repair All Ball Marks!!

Recently we have experienced a large amount of rainfall and the greens are soft.

This brings up a big issue
BALL MARKS!!

please repair your ball mark and at least one more every time you hit the green.

Hole In One Club for 2019

\$5.00 each

Explanation: The way this works is when a member of the Hole in One Club gets a verifiable hole in one in a **club tournament**, each member of the club is then billed \$5.00. This in turn will cover the expenses for the day (if you know what I mean) for the person making a hole in one.

If interested, please let us know in the golf shop asap.

We have 68 people in the club so far!! Do not wait Get in today!!

Good Luck to all

3 Saturday Play Days

March 16th, March 30th, & May 11th 2:00 start

MISSION STATEMENT

The program will be dedicated to teaching juniors to have fun playing the game of golf with success. The staff is committed to providing a positive and exciting experience to their game. Gaining knowledge of the rules and understanding golf course etiquette is essential. Honesty, safety, and good sportsmanship are the foundation of the traditions of the game of golf.

CODE OF CONDUCT

All FRJGA participants will be expected to act as a young professional at all times while using the club. This includes but is not limited to using polite language, walking on course property, abiding by the rules of golf, and practicing safety as a part of golf. The dress code is a collared shirt tucked in and no denim.

Parents and other spectators are encouraged to watch on play days if they wish. However, during play days, interaction shall be limited to positive remarks and applause. Any other interaction or conversation shall be considered advice, and the player will be penalized accordingly.

We hope your child can join us this Spring!
