

## **FOX RUN LADIES GOLF ASSOCIATION**

Ladies play day is every Thursday, year-round. We play a variety of fun competitions of 18 holes for ladies of all skill levels. Competitions are based on handicaps, so there is an even playing field. Most of our ladies also play a more casual 18 holes on Tuesdays, Saturdays and Sundays and would be happy to include new ladies. We have a 9-hole league that plays on Tuesdays and Thursdays as well, so do not wait come on out and get involved.

The Fox Run Ladies Golf Association is a member of the Greenville Metropolitan Women's Golf Association (GMWGA), Intra Club Carolina (ICC) and Women's South Carolina Golf Association (WSCGA). These memberships give each of our ladies the opportunity to play in tournaments at other golf courses in the upstate and throughout the state.

Fox Run's PGA professionals periodically hold clinics for us which helps to improve our full swing, short game and understanding of the game and the rules.
