Dress Code Reminder for all Members and their Guests

While on the course, Hitting Balls on the Range or using the putting green, proper golf attire is required. No Denim of any kind and a collared shirt must be worn. While in the grill or clubhouse golf attire is encouraged but denim is acceptable, although denim is acceptable collared shirts are required.

Thank you for your attention to this matter!

Off Color Language Directive

Recently we have noticed more and more inappropriate language on the course. We ask kindly that all members think of others while here at the club. There is a large amount of members here that come here to relax and enjoy themselves. They do not care to hear that kind of language while here at the club. As well, we as a club do not want to portray that image to any members or their guests. We are now in the midst of the break for school and that means the young ones will be at the club on a daily basis. It is very important that we make sure we follow this directive for the good of Fox Run as a club and for the members of Fox Run

WE NEED YOUR HELP!! BECOME A BMW VOLUNTEER TODAY!!

The BMW Charity Pro Am sponsored by Synnex corporation has asked us for some help. They are asking that we help out with 6-12 volunteers to staff a hole at Thornblade Club throughout the tournament.

Tournament Date June 10-13

The goal is to have each hole sponsored by a community golf course.

We need to do our part to support the event and the community.

To become a volunteer each person needs to register at

www.bmwcharitygolf.com.

The registration fee is \$40. The fee includes a shirt, head wear, pin, food/snacks/beverage during their work schedule, and opportunities for extra celebratory events.

As well, \$20 will be donated to a local charity of their choice from our six featured charities for each day that they work.

This is a great opportunity to get involved in a tour event, help your community, and have a great time doing it.

They are asking for 6-12 volunteers from Fox Run

I know we can do that!!

Show them that Fox Run is here and ready to help!!

Thursday and Friday there are two waves of tee times so there will be two shifts of volunteers. All volunteers from Fox Run will work the same hole.

I have heard we have #4 which is a great little Par 3 down the hill!!

When you register there is a box on the first page

- organization- put FOX RUN

in the box so that you are properly assigned to the FOX RUN hole.

Again WE NEED YOUR HELP!!

Sign Up today

Thank You

News from the Grounds

Greetings from the Grounds

We are excited to see May is finally here and with warmer nighttime temperatures and daytime temperatures we should see the grass turning green and growing. We have started our weekly and monthly fertility applications to the greens, our mowing and rolling frequencies have increased to daily. We are also mowing all aspects of the golf course and those mowing patterns will increase as the month wears on. We are also watering more now. Greens are watering every night Fairways are watering four nights a week and Tees are watering 4 nights a week. We will be fertilizing the Driving Range and chipping area every three weeks to encourage growth and green up and aid in divot recovery. As play picks up and the rounds increase, please fill divots in fairways and repair pitch marks on Greens, yours plus two will go a long way to helping make the greens a better place to putt. We are pleased to have received our new bank mower this is a very versatile mower that can be changed quickly to perform several different jobs. In the long run this will help make Fox run a little more detailed in its appearance. As always, we look forward to seeing you on the course.
