

552 Best Practices, Scoring Format, & Payout

Best Practices

Always call in at least 45 minutes, or earlier, prior to tee times. Be at the golf course 30 minutes before play. Pay \$12.00 prior to play in the Pro Shop. Your name will be checked off as present when you pay. If you have guest, please have those names added to the list when you call.

We draw teams by pulling cards 20 minutes before our scheduled times. We will shotgun the start of our matches. We will place 2 teams at the first tee box (Aces and 2's) and number 18 will have 2 teams (3's & 4's) and continue until all are teeing off fairly close to the same time.

We allow two shots on the 1st tee of the day. If you choose to hit a second shot you will be required to play that ball. Typically, we will roll the ball in the fairway you are playing. Any other fairway or rough the ball will be played down. Putts within the putter grip are considered good. We do allow a 'Root & Rock Rule'. The purpose of that rule is to minimize physical damage to clubs and the players. The Ball can be moved from roots or rocks but must remain in as close to the same condition. EX. When you land in roots and the tree is between you and the hole that tree should remain between you and the hole after relief.

Scoring Format

We use a modified point system for scoring. A player will determine his or her handicap. That number is then subtracted from 36 and the results is the number of points you need to achieve. Ex. If you have a 12 handicap, you deduct 12 from 36 and you would be required to pull 24 points.

Points are earned every hole, hopefully.

- 0 for the dreaded others
- 1 point for a Bogey
- 2 Points for a Par
- 3 Points for a Birdie
- 5 Points for an Eagle
- 8 Points for a Double Eagle

Please choose one in your group to maintain the score and the point totals. If new to the group please ask. Every week we maintain a list of all the scores. These are maintained similar to a handicap, but we only include the best four average of your last six rounds within the group. For new people and guests to the group the best or worst score is plus or minus 3 until you have recorded 4 scores.

The points and results are emailed out every week. If you are not receiving this email that means, we do not have your e-mail in the 552 database. Those wishing to be on the email list should provide their email address to whomever is handing out the money after our event.
